Dear Melbourne University Appeals Committee and the Academic Secretary,

I am writing this letter of support on behalf of Mr Yamin Arthur as part of my role of his treating clinician. First let me thank you for Melbourne University Appeals Committee's decision to allow Mr Yamin Arthur to continue his studies at Melbourne University in 2018. This decision has been accepted by Mr Yamin Arthur with great enthusiasm and commitment to prove to himself and the committee that his true abilities have yet to be seen.

Mr Yamin Arthur has been progressing quicker than expected and is well supported by his family and his continuous willing to challenge himself and try new strategies that may assist his condition.

Based on the latter and Mr Yamin Arthur's ongoing engagement in therapy, it is strongly believed that Mr Yamin Arthur is more than capable to start his studies at Melbourne University; to handle any stress that comes with studies and feel comfortable to engage with the various wonderful services Melbourne University have at their disposal for him. Furthermore, Mr Yamin Arthur has continuously expressed solid interest and commitment to his studies and his academic future, and wishes to thank Melbourne University Appeals Committee and the Academic Secretary for this opportunity and their ongoing support.

Please feel free to contact me at any stage for clarification and various questions you may have.

Kind Regards,
Noah Mankowitz
